Rink Attendant(s)

The Village of North Hatley maintains a number of spaces available at parc de la Rivière for ice activities. A well-known gathering place for hockey and skating enthusiasts, the site includes a boarded skating rink, an ice skating area and an ice path. A chalet with services is accessible to all skaters. In order to ensure a welcoming environment for all users, proper maintenance of the site is a priority.

The Municipality of the Village of North Hatley is looking to hire a responsible person to fill the position of attendant for the rink area during the coming winter months, usually from mid-December to mid-March.

Work-related tasks: The Rink Attendant(s) will be responsible for the setup and maintenance of the skating rinks, ice paths, and for the chalet.

More specifically, tasks include preparing the ice surfaces at the beginning of the season and watering on a regular basis, daily snow removal or clearing, throughout the season, according to weather conditions. Tasks also include daily cleaning and maintenance of the chalet (changing area and washrooms).

Work conditions: The work is physical with exposure to cold weather. Interested persons must enjoy manual work, outdoors, under winter conditions.

The tasks of flooding or watering the ice surfaces usually take place late at night or overnight. Snow removal or clearing is on an as-needed basis. Ongoing maintenance of the chalet is required to ensure cleanliness of the area at all times. The tasks require good physical health and fitness, initiative and resourcefulness.

Remuneration: Details relative to remuneration will be discussed with candidates selected for an interview.

Interested persons are asked to submit their application at the latest November 16, 2018, by e-mail to info@northhatley.org or at the Town Hall.
