The ABCs of recycling – What and Where

The MRC Memphrémagog has an on-line **sorting tool** prompt that users can click on to find the best location for recycling an item or material within the territory of the MRC.

The ABC des bacs site and **sorting tool** can be accessed by going to the following link - <http://www.abcdesbacs.com/bottin/>.

BBQing: keeping an eye on your summer stove!

Summer's here and so is cooking on the BBQ! Beware of fire hazards! Be sure to clean the racks and burners on a regular basis and check all gas connections. Never leave food cooking on a BBQ unattended. Always store propane gas cylinders in a secure location.

Happy grilling!

Lake Massawippi

By-Law 2008-525 is meant to prevent the spread of zebra mussels and other invasive species.

The responsibility is ours to protect our lake and our river from this environmental threat! Boat owners are required to have their boats washed at the wash station in order to receive a certificate before heading out on the water.

User certificates for residents are available at the following costs:

Boat	Motorized	Non-motirized
1st boat	40,00 \$	5,00 \$

A registration certificate is required for boats with 10 hp or more.

Washing and user certificates for boaters on Lake Massawippi in North Hatley are available at the Town Hall, 3125 chemin Capelton.

TOP 10 TICK HIDING SPOTS ON YOUR BODY

Tick checks are one of the ways you can prevent Lyme disease and other infections spread by ticks.

Check your entire body, especially:

WHAT TO LOOK FOR?

Feel for **bumps** and look for tiny **dark spots**. Look carefully, most ticks are very small!
